Game Start Time: 7:30 pm

Band Fall Break Game Policy: Our band program realizes that many of our families choose to travel during Fall Break. The expectation and tradition of our program has been that all members that are in town are expected to be present for the game. Social responsibility and support is a foundation pillar of our activities culture. Additionally our program realizes the benefits of a supportive community, a football game is one of the most visible opportunities for our band to be heard and leave a positive impression with our school community.
